UTB-STE CONNECT 2025

Technology Innovations for a Sustainable Future
20 - 22 October 2025 | Universiti Teknologi Brunei

The UTB Science, Technology & Engineering Connect 2025 (**UTB-STE CONNECT 2025**), a Congress organised by Universiti Teknologi Brunei will take place from **20th to 22nd October 2025** in Brunei Darussalam.

This Congress provides an excellent platform for intellectual discourse, knowledge sharing, and networking among participants from around the world.

The Congress will be conducted in a hybrid mode with opportunities for both face-to-face and online paper presentations.

This engaging event includes five conferences tailored to accommodate participants from diverse disciplines:

Please visit the individual conference websites by clicking the conference's icon for more information on paper submission.

In addition, the Congress will feature the following exciting events:

- 3rd UTB University Presidents' Forum
- 2nd UTB Women Leadership Forum
- 1st Global Conference on Industrial, Materials and Manufacturing (GCIMM 2025)

Be a co-organiser of UTB-STE Connect 2025 by contributing a total of five registered papers to any of the conferences. Please write to the UTB-STE Connect 2025 Secretariat for details, should your institution be interested.
